TSI Digital Solution’s Starterkit.

Get An Online Quote

A Starterkit that Helps to Start.

TSI Digital Solution’s Starterkit can help your new business get off the ground

Starting a new business can be overwhelming, but having a strong online

presence is crucial for success.

Our Starterkit at TSI Digital Solution offers everything you need to launch your business online, from creating a logo to setting up social media accounts. In this blog, we'll dive into how TSI Digital Solution's Starterkit can help your new business get off the ground.

Creating Your Logo

Your logo is the face of your brand, and it's important to make a good first impression.

This Starterkit from TSI Digital Solution includes a custom logo design, tailored to your brand's vision and style. Our team of expert designers will work with you to create a logo that represents your brand and stands out from the competition.

Creating Your Website

Your website is your digital storefront, and it's essential to have a professional-looking website that reflects your brand's personality.

With TSI Digital Solution's Starterkit, we'll create a website for you with a maximum of 5 pages. Our team of developers will ensure that your website is responsive, easy to navigate, and optimized for search engines.

Contact Form (E-mail)

Having a contact form on your website is essential for visitors to reach out to you.

Included with TSI Digital Solution's Starterkit, we'll set up a contact form that sends messages directly to your email inbox. This will help you stay on top of your business inquiries and ensure that you never miss an opportunity.

Creating a Business E-mail

Having a professional business email is crucial for building trust with your customers.

If you choose for TSI Digital Solution's Starterkit, we'll set up a business email for you using your domain name. This will make your business look more professional and trustworthy, and it will help you build credibility with potential customers.

Included Domain Name for the First Year

Your domain name is your business's online address, and it's important to choose a name that's easy to remember when starting a business and that it represents your brand.

The Starterkit of TSI Digital Solution includes a domain name for the first

year, so you don’t have to worry about the cost of purchasing one separately.

Included Hosting for the First Year

Hosting is essential for your website to be visible online.

By TSI Digital Solution’s Starterkit, we’ll include hosting for the first year, so you don’t have to worry about finding a reliable hosting provider or the cost of hosting your website separately.

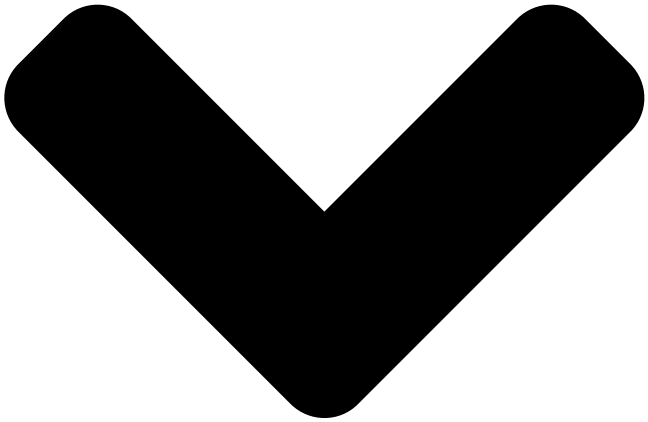
Creating 3 Social Media Accounts

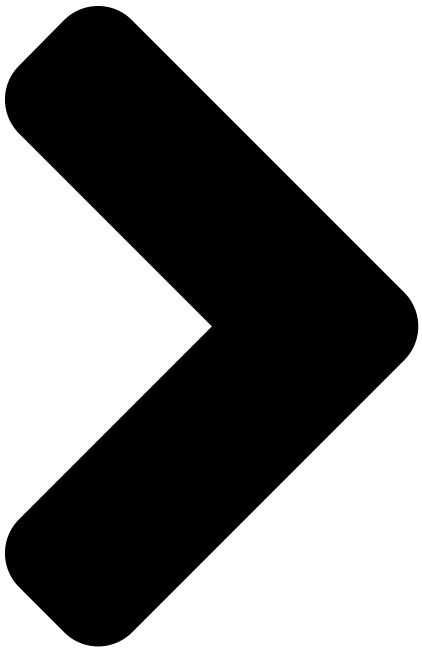
Social media is a powerful tool for promoting your brand and connecting with customers.

With TSI Digital Solution’s Starterkit, we’ll create four social media accounts for you on platforms such as Facebook, TikTok, Instagram, LinkedIn, YouTube,… This will help you build a social media presence and engage with potential customers.

Frequently Asked Questions (FAQ)

What is in the TSI Digital Solution Starterkit?





The TSI Digital Solution Starterkit includes: a custom logo design, a professional website (max 5 pages), a contact form, a business email, a domain name for the first year, hosting for the first year, and the creation of 3 social media accounts.
